

JOB DESCRIPTION - Kitchen Assistant

(Part Time capacity, Manchester based)

COMPANY OVERVIEW

We are working hard on things that people are working hard for. We curate places that reflect our vision of a favourite hangout for the communities around us. With every experience we create, we bring our Mediterranean hospitality forward with its uncompromising focus on quality. Our people and our guests are all alike - forward thinking with an international mindset, curious urbanites who value long lasting informal and personal relationships.

We thrive for success which can also be shared, which is why we invest in and incubate emerging talents who commit to similar values - initiative, dedication, integrity, consciousness and dynamism.

If you feel the above describes you - join our tribe. In The Initiative we will support your development, we will amplify your voice.

Please keep in mind that this job advert is giving an overall description of the job and is not intended to be exhaustive. We will share more with you in person.
